

And yet
i
am
so far
so
many miles
distant
from
home
but
still
i hear
the call
deep
inside
my heart
e c h o i n g
Please!
i did not forget
i did not want
to
leave
torn
asunder
and
even though
i
am so far
(i am still close, right here in my heart)
i
can still feel
the
pull
the
call
keening inside
me
don't
hold it
against me
for
i
am trying
am ready
to
come
home
(please may I come)
